

Club Dues Collection – Fall 2011

June 1, 2011

Managers / Coaches,

We will continue to use the Demosphere system for dues collection through 2011-2012. Just a couple of things to note:

1. Club dues for 2011-2012 are set at an annual total of \$500, payable in two seasonal installments of \$250 each. Fall dues will be due on July 31, 2011 and we will continue to institute the \$35 penalty for late fees. Players added to the system later in the season will have 30 days to pay dues before the penalty is assessed.
2. If you have players who need financial assistance, please be advised that Scholarship Requests are due by July 15, 2011 for the fall season. However, if you still have players in need of assistance after the due date you can forward the request with the understanding that the scholarship budget may already be exhausted. Forms are available under the Managers section of the website. Also note that ***scholarship requests are only good for one season***. Requests for spring will need to be filed no later than December 15, 2011.

We thank you so much for your support!

Sincerely,

Shaun, Gina, Meredith, Rick, Patti, Michelle, & Hal
BOD

Fall 2011 Dues Collection & General Housekeeping

In order to facilitate dues collection for the fall 2011 season, here are some simple points:

Dues

- All players who have accepted a position on your team must be registered for 'tryouts' in the Demosphere system.
- Send a list of players who have accepted a position on your team to administrator@thundersoccerclub.org.
- The Administrator will assign them to your team in the system and then send an email to the entire team requesting dues.
- Ask your parents to keep an eye out for the email (as they sometimes go to spam). If a particular player doesn't receive the email you can ask them to go to our website and select <Parents & Players> on the home page and then <Pay My Dues> on the next page.
- Remind your team that dues should be paid no later than July 31, 2011 or the price will go up by \$35. Around mid to late July the Administrator will send you a list of any players still outstanding.
- If you add additional players later on, let the Administrator know their name. Once they've been assigned to your team in the system she will let you know and you can then direct them to the <Pay My Dues> link (individual emails cannot be sent through the system).
- If you have players who need financial assistance, those requests are due by July 15th. Scholarship requests forms are available on the website either under the Managers section or the Parents & Players section.
- Note that requests for aid are only good for one season. They will have to re-file for spring by December 15th if assistance is still needed.

General

- According to MSYSA, you should be able to begin loading roster information into the MSYSA system by "about mid July". We will keep you updated.
- Be sure to send the Administrator any updated Coach and/or Manager names and contact data for the website if applicable.
- Reminder that all adults who will be carded and on the roster will have to have an up-to-date background screening. See the Risk Management link on the website.
- If you would like more complete demographic information for your team to facilitate loading the MSYSA roster, just send a request to administrator@thundersoccerclub.org
